

2017 Opioid Task Force Community Forums

Come and lend your voice!

Join us at one or more of our Community Forums, where members of the Opioid Task Force will listen and learn about your ideas and experiences to address the opioid epidemic in Franklin County and the North Quabbin Region. Active participation is encouraged by all that attend. Please come prepared with brief and specific examples of what has worked and what hasn't to help strengthen county efforts to help individuals and families impacted by this disease.
