Why MISSION-Hope?

MISSION-Hope helps parents, caregivers, and families manage recovery from co-occurring mental health and substance use disorders. We will provide you and your family with our free evidence-based individual, child, and family-centered treatment, and supportive wrap-around services tailored to meet your unique family needs. By working in collaboration with diverse community partners, we are committed to enhancing your health and your family's well-being.

MISSION-Hope is funded by SAMHSA Grant #1H79TI080277-01 awarded to the Executive Office of the Massachusetts Trial Court. The views & opinions contained in this brochure do not necessarily reflect those of SAMHSA nor the MA EOTC and should not be construed as such.

Empowering and supporting parents, caregivers, and their families in the Franklin Family Drug Court on their road to recovery.

Is MISSION-Hope Right for You?

1. Are you a parent over the age of 18?
2. Do you qualify for the Franklin Family Drug Court?
3. Do you and your family want help building and protecting your recovery and well-being?
4. Would you and your family benefit from support in addressing co-occurring substance use and mental health issues?

How do I make a referral?

- Referrals are made by Juvenile Court Probation Officers & Probate and Family Court Probation Officers. For more information on MISSION-Hope please talk to your attorney, probation officer, or the Court Service Center.

How will MISSION-Hope Help?

- Recovery is a 24/7, sometimes bumpy, road. The MISSION-Hope clinical care team will accompany you and your family along your road to recovery and offer individual/group treatment, and wrap-around supports. Services begin with a screening session.
- The MISSION-Hope team will offer you parenting strategies and interventions so you will be able to support the social and emotional development of your children, as well as enhance family functioning and well-being.

What Services are Available?

- MISSION-Hope services are provided as a part of a year-long treatment program adapted for you and your family.
- You will have a care team made up of a Case Manager, Peer Support Specialist, Family Social Worker, and Nurse.
- Your team will provide hands-on treatment and support, and will connect you with community resources you and your family need.
- Wrap-around services include help with medical issues and appointments, employment, education, housing, benefits (i.e. SNAP), and your children's needs.
- Services are available for your children, other family members, and caregivers.

All MISSION-Hope services are Trauma and Culturally sensitive
